

# City of Southern Pines Out-Brief

Civil-Military Support Element  
Southern Pines

# Summary

## Facts

- Moore County is a caring community that places the well-being of its residence in high regard
- The issue of homelessness is an intermunicipal concern that requires coordination by many parties

Organizations working in the Moore County are providing efficient aid to the homeless population but could benefit from a cross-organizational coordination

## Challenges

- Coordination of efforts across organizations
- Transient population arriving via train, bus, etc.
- Influx of homeless during warmer months
- The public's perception of the homeless issue in Southern Pines
- Access to appropriate services

## Potential Partners

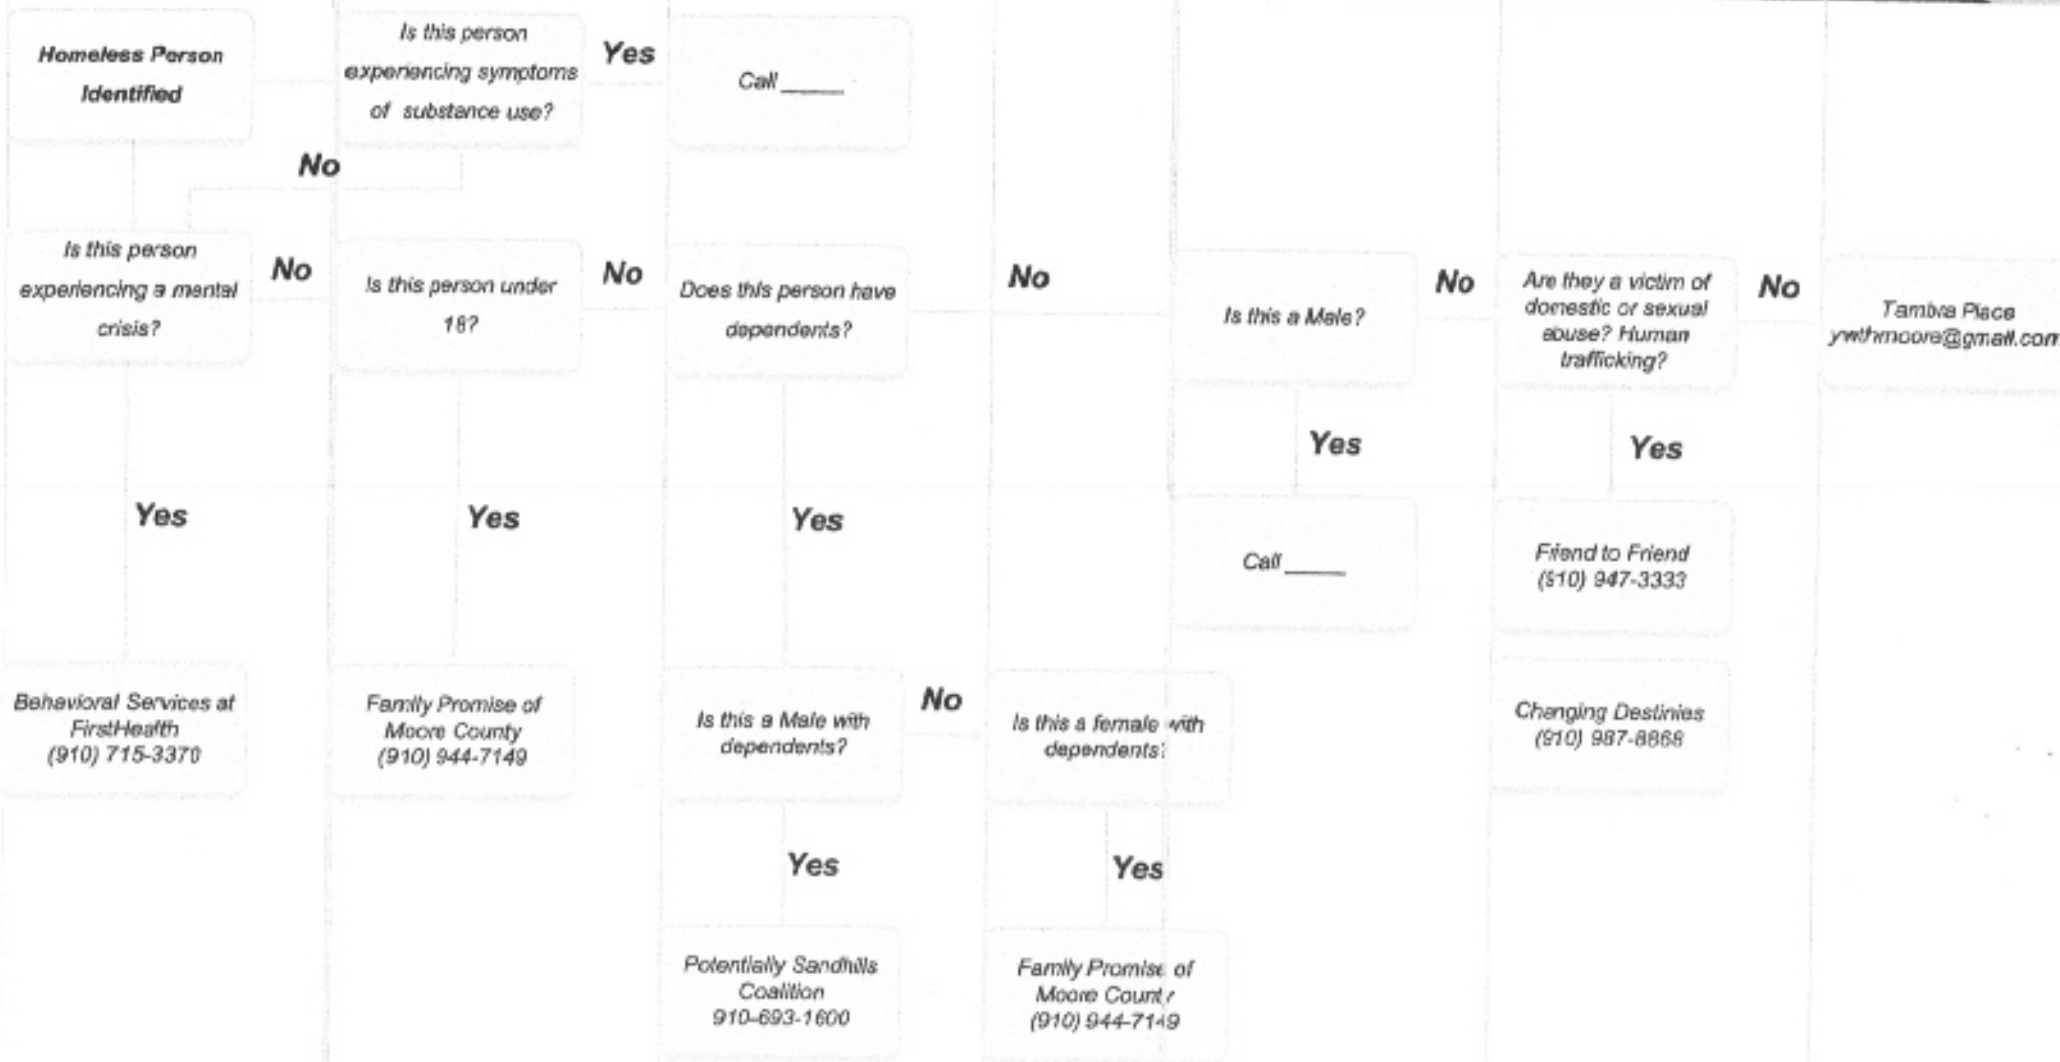

- Southern Pines Police Department
- Southern Pines Fire Department
- Southern Pines Library
- Trinity AME Zion Church
- Coalition of Churches (24 churches)
- District Liaison for Homelessness in Moore County
- TEAM Workz
- Moore County Department of Social Services
- Sandhills – Coalition of Human Care

## Opportunities

- Development of a hotline to assure proper care for effected individuals
- Establishment of a working group to increase homelessness response
- [Symbiotic relationship between county, municipal and non-profit organizations]

# Flow Chart Proposal

# Recommendation

## **Working Group Purpose**

Moore County, Southern Pines municipality, and local organizational leaders work cohesively to address the homeless issue within Moore County. As a unified team, the working group can direct resources to limit the effect on local businesses and assist at-risk individuals. The working group can establish and refine the system needed to provide care through a structured group and process of care.
